

NHCSB English Enrichment Challenge for Grades 6- 8

Here is a list of free websites with activities for you to practice the English concepts. Visit the sites and practice some English work to keep your English skills sharp. All sites are educational and free. Use the log on the back of this sheet to keep track of your time. Submit the log to your English teacher! Have fun!

www.duolingo.com - Create an account, take a placement test, and Duolingo will help you practice skills related to English, Spanish, French, or any other language!

www.noredink.com - Create an account by selecting independent work. Students do not need a class code. Lessons help you review and provide interactive exercises so you can practice.

www.abcya.com - For 6th and 7th grade students. This is an expansive website that is free and there is no need to sign up. Students can practice foundational skills as well as logic games!

[Scholastic Learn at Home -https://classroommagazines.scholastic.com/support/learnathome.html](https://classroommagazines.scholastic.com/support/learnathome.html)- Select a grade level and there are student reading and learning activities on a daily basis! The readings are current and interesting!

<https://www.makebeliefscomix.com> Make your own comic strip. Create a story to share with your teacher!

<https://freerice.com> Free Rice is the UN World Food Program site teaches civic responsibility while quizzing visitors on everything from English grammar and vocabulary to chemical symbols and pre- algebra. For every multiple choice trivia question that site visitors answer correctly, the UN donates ten grains of rice to help feed the hungry.

[Read Print](http://www.readprint.com) - Read Print is a free online library that contains thousands of novels, poems, plays, and stories in the public domain. Site visitors can search for books by author, title, or genre.

[Book Builder](http://www.bookbuilder.com) - Middle schoolers who visit this site can create, publish, and share their own digital books online. They can also read free digital books created by other people.

Name: _____ Teacher: _____ Grade: _____

Directions: Keep track of the time you spend reviewing your English and turn it in to your math teacher when we return. This is enrichment work.
