NEW HEIGHTS NEWS

CHARTER ANNOUNCEMENT!

Every five years, per state law, charter schools undergo a rigorous written evaluation and site visit protocol by experts in the field of education. The outcome of this evaluation; which looks at finances, curriculum, student outcomes, and instruction to name a few areas, is a determination about the charter school's ability to continue operation for an additional five years. New Heights was reviewed this spring at the conclusion of our fifth year of operation and we are proud to share that not only was our charter renewed, it was renewed without and conditions or areas of improvement.

Back to In-Person Learning Statewide

We are excited to announce that we are fully re-opening our middle school as of April 12th and our high school as of April 26th. This means that our scholars will attend classes five days a week and we will be offering first-class, in-person education to all who attend. Families still have the option of keeping their scholars home to engage in live, synchronous remote instruction Monday through Friday. To learn more about our re-opening plan, please visit nhcsb.org. For any additional questions or concerns, please email Meagan Tracey, mtracey@nhcsb.org. Welcome Back Everyone!

NHCSB EARLY COLLEGE SCHOLARS DELIVER POWERFUL MESSAGE

In December 2020, DESE requested Early College programs in the state to create videos from students describing their Early College experience. Our Junior/Senior Student Council accepted the request and they delivered! Student Council members and other NHCSB Early College Scholars contributed their personal experiences to the project which culminated in a final production produced by our very own Anthony "TJ" Ellison. Scholars featured in the video are: Sauvannie Lorrinvil, Omosefe Enobakhare, Anchell Aguy, William Kimani, Ben-hur Lejeune, Maia Asiwe, Desiree Bazille, Deborah Ashiedu, and Anthony Ellison. You can view their amazing work here: <http://www.tinyurl.com/nhcsbdoc>

SCHOOL UNIFORMS

School uniforms are on sale!
at metroschooluniforms.com
to purchase uniform tops.

Scholars in grades 6-10 are expected to wear a white button down shirt or a navy, white, or black colored polo with black, navy, or kahki pants. Jeans are not permitted.

This uniform expectation will be enforced beginning on April 12 for middle school and April 26 for high school. If you have any questions, please email Ms. Stephney at: sstephney@nhcsb.org.

Student Profile: Ferdolisa Guillaume, 10th grade

This is Ferdolisa's first year at New Heights. She was looking for a school more suited to her academic interests and conducted some online research- New Heights got her attention and we are glad it did! Although it was a difficult time to transition, Ferdolisa wanted to grow as a student and take advantage of the many resources offered at NHCSB. Laurie Casimir, Dean of High School Students, said of Ferdolisa, "She would take her time and explain to her peers what they may have not understood in class, while helping them to work through the assignments. I am so impressed with Ferdolisa as a natural born leader and someone who is willing to help others on her own accord. It is so important and inspiring to see a scholar at this age willing to think of others outside of herself. We are lucky to have such an intelligent, caring and service oriented young woman in our community." Well said Mrs. Casimir! Welcome to the NHCSB Family Ferdolisa!
