NEW HEIGHTS NEWS

RE-OPENING REVIEW AND RECOMMENDATIONS ARE COMING

We are gearing up for our scholars to return to in-school learning! Parents should have received an email with detailed information regarding our re-opening plan. If any of our families have questions please contact Meagan Tracey at mtracey@nhcsb.org. The board is voting on our re-opening plan and dates on 1/26/21 to ensure we are all ready to bring our scholars back to a safe and prepared environment for learning. A Family Forum, with parent focus groups is being held on Monday, January 25 at 5:30pm to provide input on this matter. More detailed information will be coming soon.

COMMUNITY EVENTS

Family Forum

Zoom meeting every
Monday at 5:30pm

Story Time

Hosted by Ms. Silva, every
Wednesday night at 6pm

Coffee & Curriculum

Hosted by Kayla Leary, every
second Saturday of the month
kleary@nhcsb.org
Next meeting: Feb. 13, 9am
Middle School parents are
encouraged to join

SPOTLIGHT STUDENT WORK SYMPOSIUM

NHCSB Junior and Senior Scholars continued to connect with younger students through a Student Work Symposium this past month. As part of their college classwork, many students presented projects to 6th-10th graders along with messages of encouragement, advice on managing college coursework with high school requirements, and even a plug to join the soccer team!

This mentoring program is one of many projects aimed at connecting students with positive role models, make the college classes and the work our students do there

more relatable to our future college students and match faces and concrete accomplishments with our often heard phrase, We All Go To College. Period.

We are fortunate to have so many scholars that fit this criteria, *and* were willing to give their time to help younger classmates.

Thank you for your leadership and inspiration in this program: Anthony 'TJ' Ellison, Abri Davis, William Kimani, Dekayla Delk-Walton, Deborah Ashiedu, Ben-Hur Lejeune, Sauvanie Lorrinville and Aniya Rocher.

Thank you to Ms. Fernandes and Mr. Jesdale for their contributions to this, and to our school!

BUILDING UPDATES

We have so many exciting updates to report here at NHCSB. With thanks to our landlord, **5 new classrooms** and **3 additional offices** are currently under construction. A large, bright **cafeteria** and food prep room are also being built. These updates are expected to be completed by March 1, 2021. Scholars and families will also be happy to know a **full size gymnasium**- complete with locker rooms and stadium seating, will be ready in June 2021. In addition to these projects we are working with our building owner to replace all carpeting before scholars return with easy-to-sanitize tile flooring as part of our Covid Safety protocols.

Student Profile: TJ Ellison

Grade: 11 **Favorite Subject:** Movement for Acting & US History due to the many creative liberties on projects and papers.

Career Goals: to exceed my own expectations which are respectable already, as well as mentor people taking a similar path to mine. I've always tried to be the person I wish I had growing up and I like to think I am fulfilling that goal.

We asked TJ to describe his experience at NHCSB:

"NHCSB offers countless experiences that make me glad to be a part of the community!" TJ would also like to encourage younger scholars to sign up for the soccer team!

ENROLLMENT

Help us spread the word!

We are now accepting applications for the 2021-2022 school year. New families can fill out the appropriate paperwork at NHCSB.org. Applications must be submitted by March 5th to be in the lottery on March 12th for September 2021.
